I had trouble with my first doctor. He refused to do a evaluation or give any letter. He made excuses and he opted out of the insurance without me knowing what had done. His office refused me going to the doctor. The lied about the reasons. I reported the doctor to the state for investigation.

( V )

( b )

I request damages for myself 3 million dollars.

No policeman is allowed to "Demand" anything from anyone without our consent. With due process.sargent thorton said you are not going to donate the guns, your getting another doctor, you are getting a evaluation and you going to tell that doctor what I said that has to be written in the letter. This is what I want. said. No matter what I have explained to the police man. Sargent thorton said your going to get this letter. I was forced to get a letter from any doctor. I was told that Sargent thorton said I must have this doctor write done in this letter the way Sargent thorton says . The Sargent thorton says the doctor must write in the letter what I tell you mr Gordon. " Sargent thorton said He has to write will you harm your self or anyone else if we give back your firearms. The Sargent thorton said this is what he must write. Sargent thorton says you have to find a doctor who can give you a evaluation. I tried to explain I need time to get a doctor.sargent thorton yells and says there is plenty of doctors around. You have to find a doctor. I will give you time to find a doctor your guns are going no where mr Gordon. They can be here 2 more years doesn't matter. Sargent thorton said I not worried about your problems, I have bigger things to worry about. Sargent thorton said when you have the letter I told you about call him. I tried to explain I have to call my insurance company to locate a doctor. I explained to the insurance company what happened. . they said I should sue them for this treatment. I said I cant afford a lawyer. I figure out something. I spoke to internal revenue service. They requested I send in the reports and seek help soon. My mother heard everything from the speaker phone. Also my new doctor and office personal are very afraid of the suffolk police. For safety reasons I can not give out his name unless the judge asks me personal.
